Do you have problems getting responsible, credit worthy customers? Are too many of the debts owed to you being written off? Do you want your loans repaid on time and in the manner in which you agreed? How familiar are you with the most common business frauds? Are you susceptible to fraud without even knowing it?

If you have answered 'yes' to any of these questions or have doubts, this is the seminar you should attend! Come and hear the insight CCBL has to share and fill in the missing pieces of the profitable credit puzzle!
